Support From the Pulpit

- Concern raised from a delegate's spouse
- Discussed by NAD Health Advisory Committee
- Discussed by NAD Administration
- Plea for support

Support From the Pulpit

- Draw attention to the positives
- Refrain from bringing attention to the extremes
- Our community hears us
- Laughter is good medicine...unless it hurts

Health Sabbath

[Home](#) / [Health Sabbath](#)

Health Sabbath is July 25, 2020!

Each year, the North American Division designates the second Sabbath in February as Health Sabbath. This is an opportunity for our churches to focus their Sabbath services on the importance of good health and how the health work enhances the mission of the Seventh-day Adventist Church.

Watch for resources coming soon!
