**“God would be pleased to see far more accomplished by his people in the presentation of the truth for this time to the foreigners in America than has been done in the past...”**

# **Review and Herald**

**October 29, 1914**

**...we should be able to see in the multiplying opportunities to reach many foreigners in America a divinely appointed means of rapidly extending the three angles message into all the nations of earth.**

**God in His providence has brought men to our very doors and thrust them, as it were, into our arms, that they might learn the truth, and be qualified to do a work we could not do in getting the light before men of other tongues.”**
