PURSUING HIS PROMISES

Promise #1 Called

The Baby Boomer
balloon of pastors is
starting to burst.

**1/2 of pastors are
boomers**

In 2013 450 clergy
were eligible for
retirement

In 2018 750 clergy were
eligible for retirement.

We need anywhere between 150-300 pastors to join our ranks over the next dozen years to keep up with the retirements.

#PLANT1
www.nadchurchplant

If you're going to plant a church that doesn't love all sinners, that doesn't care about what happens outside the walls of the building, and whose only purpose is to change the religion of people and judge their behavior, then don't plant a church.

But if you're going to plant a church that is centered on the salvation of God and the compassion of Jesus, a church that will be an agent of transformation in the community, then don't plant one church, plant 1000 churches.

As we shall work upon the plan of addition, by faith adding grace to grace, God will work upon the plan of multiplication, and multiply his grace and peace to us. PCP 47.1
