GROWING YOUNG ADVENTISTS

GROWING YOUNG ADVENTISTS

Growing Young Adventists is a learning journey for local churches and leaders helping to build faith communities that will not only survive, but thrive in the years ahead. It is an inter-generational movement nurturing relationship building and cultural transformation that embraces young people and benefits all generations in the Adventist church.

The summit was excellent, providing me ways to minister with youth and young adults.

I appreciated learning tips to help me better communicate with my grandchildren.
