

As a newly baptized Christ follower, you will grow day by day as you learn more of the will of heaven for your life. To help you to continue to grow in Christ, you are charged to:

1. Spend time each day in Bible study and prayer.
2. Encourage family worship in your home.
3. Keep your Christian growth constant by being present at the weekly services of the church. Make Sabbath School, the worship service, and membership in a youth group part of your weekly activity.
4. Discover your spiritual gifts so you may use your time and talents in the cause of Christ and experience the joy of service.
5. Strive to represent Christ in all your activities, realizing that we all fall short of this throughout our lives.
6. When you need spiritual guidance, besides your family, call your Spiritual Mentor and talk with him/her. If more guidance is needed, your pastor(s) will be happy to help you.
7. Have faith in God, ever trusting in His power: "He who began a good work in you will carry it on to completion until the day of Christ Jesus," (Philippians 1:6).
